What an exciting new school year we have to look forward to! We will spend the month of September getting to know one another, our classroom, our names and our rules through group discussions, games, and hands on activities. The week of September 11<sup>th</sup>, we will be introducing our first letter sound of "p" and be focusing on identifying letters in our names as well as our weekly poem. The following week, we will introduce the letter sound of "m" and introduce fine motor skills used in writing as well as engage in activities that focus on identifying our colors and names. The last week of September, we will introduce the letter sound of "w" as well as shapes and continue with our name identification activities.
