## Monthly Newsletter ~ April 2018

**What we will be learning:** The letters and sounds we will be focusing on this month will be “Q, Z, and D.” In ELA we will answer comprehension questions about stories, practice drawing what we dictate, and writing about zoo animals. In math, we will learn about quantity/money, identifying numbers 0-20, and directional words. In science we will learn about various zoo animals and compare and contrast them. In social studies we will discuss diversity in our families, communities, and classroom.

**Bible and Religion:** We will hear the story of the Quail and the Mannah, Zacchaeus, and Daniel. Through these Bible stories, we will talk about how God always provides for us, forgives us even when we make mistakes, and helps us when we are in trouble or scared.
